Craig Stephens holds the friendships he has gained here at Judson very dear. Every friend he has made he has kept and is always looking for more.

Chapel services are one

of Craig's favorite times at Judson because chapel is informal, one can get to know people and still visit with the Lord. Craig feels that at Judson his walk with Christ is getting him on firm ground to prepare for his professional life. "I hope that each student will see the vitality of their relationship with Christ and seek to know him better."

Jim Murray and Craig Stephens having a great time on the boat cruise.

WJUD

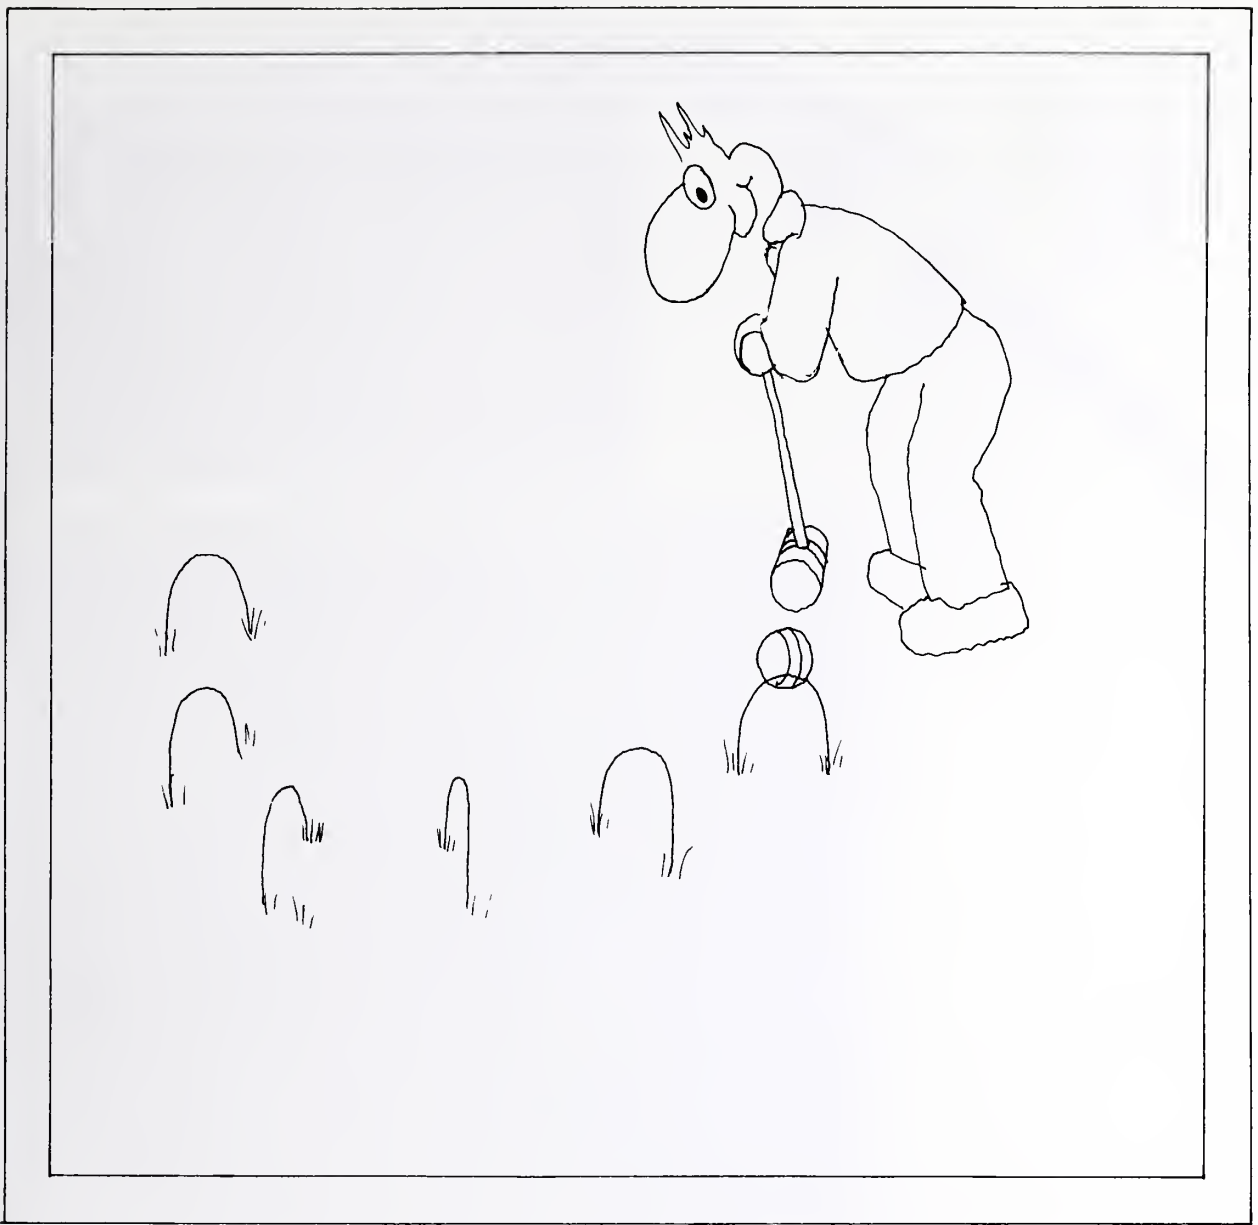

These small, fluffy masses are the result of a long and arduous process of selection and breeding. They are the product of a carefully controlled environment, where every detail is monitored and recorded. The process is a delicate balance of science and art, requiring patience and precision. The final result is a collection of unique and valuable specimens, each with its own characteristics and potential.

1986 Cross Country Roster and Season Summary

Name	The term "extra-effort" would best describe the 1986-1987 Cross Country Eagles. Barely scraping together a team after losing half of last year's squad, the Eagle's season was an uphill battle. The team compiled a 16-40 record and eight individual medals were won. Judson history was made as two runners qualified for the NAIA national cross country meet.

DEDICATION

Since her arrival here seven years ago, Merla Hammack has won the respect and admiration of students, faculty and staff at Judson College.

Like most professors, she has worn many hats at Judson: teacher, advisor and "crusader for the students." Her development and construction of WJUD to service the students and the Communication Arts division was only one of the many projects she has completed during her Judson career.

And now as she comes to a milestone in her life (**MILESTONE**: an important event or turning point in one's history or career), we would like to show our deep appreciation for Merla as advisor, teacher, counselor and friend, in the dedication of the 1987 Lantern to her . . . because she loved us and we love her.

What do you mean are the yearbooks in yet?

The Lantern Yearbook Staff appreciates all of those who helped in the completion of the 1987 Yearbook ... Charla Boling, Lisa Bulanek, David Carr, Nancy Dawson, Sylvia Freeman, Carol Funderburgh, Matt Granger, Beth Hughes, Barry Rideout, Lisa Williams, Associated Press, Card N' Camera, Daily Courier Newspaper and Taylor Publishing.
